After School

Parent Handbook 2017 – 2018

“Believe in yourself and everything is possible.”

Our Staff is very excited and looking forward to a wonderful year. This handbook contains Camp Fun Spot policies and procedures, which are important to you and your child. By signing the following, you agree that you have reviewed a copy of the School-Age Child Care requirements prepared by the New York State Office of Children & Family Services. You also agree to follow the policies, procedures, and practices placed before you within the Camp Fun Spot Parent Handbook.

We expect our After School Program to be full starting in September. When registering your child/children for the school year, we need to know what days your child/children will be attending. You must pay tuition each week according to the schedule you signed your child/children up for whether they are in attendance or not. (You are not required to pay for vacation weeks unless your child attends). Any changes you need to make regarding the days your child/children attend Camp Fun Spot will be subject to availability.

If your child is absent from school, you need to call The Fun Spot prior to 1:00 pm to let us know they will not be attending camp that afternoon. It takes a great deal of time, and everyone else must wait, while we talk to the school and/or call you on the phone to make sure we don't leave without your child. **If we do not receive a phone call and we need to call you or have the school call you, there will a \$5.00 fee for each occurrence.**

Camp Fun Spot is a licensed Daycare Program and NYS requires us to get immunization records for all of the children and have the parents fill out CACFP Forms. All information will be kept completely confidential.

Dear Parent, Guardian or CACFP Participant:

This center participates in the Child and Adult Care Food Program (CACFP) and serves nutritious meals each operating day. The information requested on the attached Income Eligibility Form for Child Care or Adult Day Care Centers determines how much reimbursement this center will receive from CACFP for these meals and snacks, based on the United States Department of Agriculture (USDA) family income criteria listed below.

We encourage you to complete the form promptly so your center can maximize its reimbursement for healthy meals and snacks. One form needs to be completed for each household every year except for children enrolled in Head Start or At-Risk Only programs. All information on the form will be confidential and used only for determining CACFP reimbursement for meals and snacks served at this center.

Foster children are automatically eligible for the highest rate of reimbursement from CACFP. Households with both foster and non-foster children in day care may complete one form, including the foster child as a household member. Eligibility determination for the non-foster children will be based on the information reported on the form by the household.

Definition of Household

Household means *family* as defined in Section 226.2. *Family* means a group of related or non-related individuals who are not residents of an institution or boarding house, but who are living as one economic unit.

INSTRUCTIONS FOR PARENTS OR GUARDIANS

Write in the name of the child care center in the space provided.

Print the name of each child in your household who attends this child care center.

Section A: If anyone in your household participates in the Supplemental Nutrition Assistance Program (SNAP), receives Temporary Assistance for Needy Families (TANF) or participates in the Food Distribution Program on Indian Reservations (FDPIR), complete Section A only. Write down the SNAP, TANF or FDPIR number (do not use your ACS or DSS child care subsidy number). Then sign and date the form and return it to the day care center.

Foster children: If your household includes a foster child who is in child care, write in the names of the foster children.

Section B: Complete this section if you did not complete Section A. Write in your name and the names of all other adults and children living in the household, including unrelated people, even if they do not have any income. Do not include the children in child care who are listed at the top of the form.

Enter the amount of income each person received **last month**, before taxes or anything else was taken out. Refer to the Definition of Income and the Definition of Household, above. If any amount last month was more or less than the usual, write in that person's usual income.

The last four digits of the Social Security Number of the adult signing the certification is required. If you do not have a Social Security Number, write *none*. The form must be signed by an adult member of the household.

INSTRUCTIONS FOR CENTERS AND SPONSORS

The For Sponsor Use Only section is to be completed, signed and dated by center or sponsor staff. The sponsor/center representative must review the income eligibility form and ensure that it is completed as indicated in the instructions above. Then indicate the following:

The CACFP Agreement Number.

Total Number of Household Members – This item does not have to be completed if the parent completed Section A. Add those indicated in Section B (if completed) to the children enrolled in child care and the number of foster children, if applicable.

Total Household Income – This item does not need to be completed if the parent completed Section A. Indicate the total monthly income as calculated from Section B. If the parent chooses not to disclose income, the form must be categorized as *paid*.

Number of Free, Reduced or Paid – Compare the total household income and the total number of household members with the current year's Income Eligibility Guidelines (CACFP-3687) to determine if the household should be categorized as **Free, Reduced or Paid**. Use the appropriate column on the CACFP-3687 to categorize their income. For example, if the parent indicated biweekly income, multiply this amount by 26 to determine yearly income.

Incomplete forms (missing signatures, income information, last four digits of Social Security Number or SNAP, TANF or FDPIR numbers) are categorized in the paid category.

The income eligibility form is valid until the last day of the month one calendar year from the date it is signed by the household member. For example, a form signed on May 12, 2014 is valid until May 31, 2015.

Frequently Asked Questions by Parents

We are excited to offer automatic payments through Tuition Express. With this service it is no longer necessary for you to write a check for tuition and fees. Payments will be automatically debited from your bank account or charged to your credit card. All payments are secure and you can even choose to have a receipt emailed to you after each transaction. It's easy to sign up—just ask your child care provider.

When I pay my tuition automatically, how secure is my account information?

Very secure—more secure than when you write checks. The checks you write every day have your name, address, phone number, and sometimes your driver's license number on them. With this information, criminals have all they need to access your account, or worse, steal your identity. Automatic payments greatly reduce this potential by limiting the amount of information available and the number of people who have access to it. Tuition Express also incorporates additional security procedures, utilizing 128-bit encryption.

What if the child care provider makes a mistake and takes out too much money?

Report the error immediately—it was likely an honest mistake. The child care provider will adjust your account accordingly.

What if my child care center and I disagree about a payment?

If you feel that the payment should not have been made, you have the right to dispute the charge. Contact your bank or credit card company. Tuition Express and your child care provider will work closely to resolve the issue in a timely manner.

Does this form of payment give the child care center access to my account?

Nobody at the child care center has access to your account. When you sign up for Tuition Express, you only authorize your bank or credit card company to release the exact amount owed to your provider, when it is due and payable.

How will I know when a payment is taken out of my account?

Payments will be taken out of your account on a schedule that you and the child care provider agree upon. Your provider has the ability to email (or print) statements for your records prior to the withdrawal of any money. Additionally, charges will show up on your monthly statement under "Tuition Express".

When I sign up for Tuition Express, how will this help my child care provider?

Your child care provider has chosen to offer automatic payments for several reasons. First, it will give you the convenience of not having to write a check every time tuition and fees are due. Second, it allows regular scheduling of your payments. Third and most importantly, automatic payments reduce the amount of time your child care provider spends on administrative tasks, giving staff more time to spend with the children.

How do I get started?

Simply complete the "Payment Authorization" form and return it to your child care provider. They will do the rest!
